May 31-June 1	June 15-16	October 3-4
	August 30-31 <i>(filled)</i>	

Docking safely and damage free can be challenging, especially in a brisk breeze. Bow sprits, marriages, and partnerships are often broken or severely damaged in the process. This class is a hands-on docking practice program on cruising yachts to help sailors of all skill levels master the art of docking.

Private Docking Instruction
 For groups of two, three or four students.
 \$1400 per day
 Two days are required if ASA 118 Certification is desired.

We provide docking instruction on personal boats and can also schedule private docking instruction on one of our vessels for two to four students in a group. We're told that our instructors have saved several boating marriages. Often, couples schedule one day of private docking instruction focusing on a specific need. For ASA 118 (Docking) endorsement, two back-to-back days are scheduled to cover the required training and testing. Adding ASA 116 Dinghy & Outboard Endorsement is a great option.

ASA 114 Cruising Catamaran
